THIRD DISCOVERY ORDER

Before the court is plaintiffs' Motion to Compel Depositions and Request for Sanctions. The court is disappointed that the parties could not resolve this problem with the court's guidance. If the parties persist in such poor discovery management, the court will consider appointing a discovery referee.

Having viewed the moving papers, the opposition, the reply and the transcripts of the depositions of Roger Peterson, Julie Curry, Ruth Patricia Esther Jonas-Goldkorn and Stephanie Bussi, the court finds no need for further argument. **IT IS HEREBY ORDERED** as follows:

3. If after completing these depositions, defendants believe they need further time from a specific deponent or, based on these depositions, believe they need further depositions to oppose class certification, they may seek further relief.
